## ***Welcome to the family of CET (I)***

The Council of Engineering & Technology (India) is a professional society (i.e., association of professionals, practitioners and student members) was formed as per present policy of AICTE, Govt. of India. The Institution offers different grades of Membership i.e., Corporate Membership & Non-corporate Membership. For enrollment of Corporate Membership, candidate should be graduate in engineering or its equivalent or should be associated with any National/International society. For enrollment of Non-corporate Membership the Institution conducts Associate Membership examination [AMCET (I)] and Technician Membership examination [DIPCET (I)] in the month of June & December every year.

It is a pleasure to welcome you to be our 'Institutional Member'. We hope that you shall take advantage of the many benefits that come with Institutional Membership and soon feel the sense of pride we share in belonging to this growing chapter.

Sir,

Please refer to your proposal dated 19.02.2013 received in this section on  
01.03.2013 on the subject mentioned above.

2. In this regard, it is to inform you that it was earlier decided in the Ministry not  
to consider the fresh cases of equivalence and recognition. Now, the Department has  
issued a fresh order on 06.12.2012 in modification of letter dated 10.07.2012. It is  
clearly mentioned in point (iv) of para 1 that statutory regulators should review the  
**fresh proposals/ extension** as per their statute and regulations. A copy of the order  
dated 06.12.2012 is enclosed.

3. You are requested to make further communication with AICTE in this matter.  
Therefore, your proposal is returned herewith.

OFFICE MEMORANDUM

In modification of Order F.No. 11-15/2011-AR (TS.II) dated 10.07.2012 and to facilitate the institutions during transition period, following decision has been taken in the Ministry :

- (i) Above order dated 10.07.2012 regarding cases of recognition in perpetuity for equivalence in Central Government job, stands withdrawn.
- (ii) All those students who are enrolled with the institutions with permanent recognition upto 31.05.2013 would be eligible for consideration in accordance with MHRD office memorandum/ order in force pertaining to their course for equivalence in Central Government jobs. However, these concerned orders will cease to have effect from 01.06.2013 onwards.
- (iii) After 31.05.2013, based on the review by the regulator i.e. AICTE, a decision on continuation of the certification of equivalence of degree/ diploma shall be taken by statutory regulator.
- (iv) Statutory regulators should review the fresh proposals/ extension as per their statute and regulations.

2. In case, the institution desires to opt for realigning curriculum with NVEQF, it is advised to use this transition period upto 30.05.2013 for necessary action in this regard.

This issues with the approval of the Competent Authority.

Sub: Recognition of Associate Membership Course and Technician Membership Course awarded  
by The Institution of Engineering & Technology (India) - reg.

Ref: Letter No. IET (I)/12/407 dated October 16, 2012

Sir,

This has reference to your application for recognition of Associate Membership Course equivalent to degree & Technician Membership Course equivalent to diploma awarded by IET (I), Kolkata.

In this connection, it is to be noted that awarding equivalence to any programme is not come under the purview of Distance Education Council (DEC). It is the Association of Indian Universities (AIU), New Delhi who give equivalence to the degrees.

Further, subsequent to the order of MHRD dated July 29, 2009 directing DEC to withdraw permission, if any, from all Universities/ Institutions offering B.E./ B. Tech. Engineering course through distance mode in compliance to that, DEC has written to all Open and Distance Learning (ODL) providers not to offer B.E./ B.Tech. programmes through Distance Mode and also asked them to ensure that no student is admitted from the year 2009-2010 onwards.

You may approach AICTE for further clarification, if any, in this regard, since AICTE is apex Statutory Body to regulate technical/ professional education in the country.

With regards

Yours faithfully

### **MEMORANDUM OF UNDERSTANDING BETWEEN THE INSTITUTION OF ENGINEERING & TECHNOLOGY (INDIA) AND THE INSTITUTION OF ENGINEERS, MALAYSIA**

---

We refer to the above and your letter ref no IET(I)/13/130 dated 23 May 2013.

The Institution of Engineers, Malaysia shares the aspiration of the Institution of Engineering & Technology (India) to embark on an opportunity for bilateral cooperation and the sharing of knowledge in areas of engineering and technology. We are convinced that there is a lot to learn from each other for the mutual benefit of both our institutions.

As such, further to your letter, we enclose herewith a draft copy of our MoU for your consideration.

Kindly revert to us with your comments. We look forward to an early response from you.

Thank You.

NATIONAL EMPLOYMENT SERVICE  
EMPLOYMENT EXCHANGE MINUTE

EEM No.1/2010/PL I-VII/7.9  
ACTION TAKEN

MINUTE

**Subject:** Registration of job seekers in the Employment Exchanges having certificates/ diploma from unrecognized institutions/ agencies – regarding.

In the NESM, procedure is prescribed for registration of craftsmen/technocrats who obtain diplomas/degrees from government Institutes/recognized Institutes but there is no procedure for dealing with job-seekers who possess diplomas /certificates awarded by the unrecognized institutes. Those job-seekers who possess Diplomas /Certificates awarded by unrecognized institutes or Diplomas /Certificates which are not recognised, face difficulties at the time of registration in some Employment Exchanges in the absence of clear instructions in the matter.

This issue was discussed in the 35th meeting of Working Group on NES held at Hyderabad in detail with participation of various representatives of States/UTs. It was found that in States like Tamil Nadu, Kerala and Delhi, such certificates were being accepted at the time of registration without insisting on their recognition, whereas in some other States, the position was different.

Keeping in view the lower placement through Employment Exchanges in Public Sector, increasing attention towards Private Sector and problems faced by the job-seekers at the time of registration at Employment Exchanges, it was recommended by the Working Group that Certificates/Diplomas from unrecognized institutions(except the fake ones) or Diplomas /Certificates which are not recognized may be accepted for registration at Employment Exchanges and the employing agencies/establishments may decide suitability of such jobseekers at the time of recruitment. Thus, onus for verification/ acceptance of Diplomas/Certificates possessed by job-seekers would lie with the employer at the time of their recruitment. This recommendation was also confirmed in the 36th meeting of Working Group on NES held at Thiruvananthapuram on 15th & 16th February, 2010.

Thus, in this respect, instructions given in Chapter VII and Chapter XI of Vol.I of NESM are clarified to the extent that job-seekers who possess Diplomas /Certificates awarded by unrecognized institutes(except fake ones) or Diplomas /Certificates which are not recognized, will not be denied registration on this account if otherwise found eligible.

-----

In response to your letter 1st cited, all the Employment Exchanges are instructed to allow to register the certificates awarded by your institute. Besides, all the activities of Employment Exchanges had been computerized and the procedures of permitting the candidate's certificates to register without any authentication is in vogue. It is also stated that the authentication process of the certificate is at the discretion of the particular employer. This department does not have any responsibility over this process.
