

Board of Secondary Education Madhya Bharat Gwalior (M.P.)

ABOUT GWALIOR BOARD

Board of Secondary Education Madhya Bharat Gwalior (M.P.)

- Under Registered Govt. of India, Planning Commission,
- An added autonomous Board running successfully.
- Which is run by under the Indian trust act 1882,
- To educate those who are not educated in conventional manner pioneer
- Board of all Deeps in the Country.

Milestones of Board of Secondary Education Madhya Bharat Gwalior (M.P.)

What do mean by GOD, GOD mean's Generator, Operator, and Destroyer, in one sense. Board of Secondary Education Madhya Bharat Gwalior (M.P.) is an unique Board and a valuable heritage of the community to educated those who are not educated in conventional / manner or by BHU, AMU, JUA, IIT, JNU etc.

Transmute India into A Developed Nation by Education Brief of the rural areas of the country is as follows:

1. Average life-span of people is ~42 years.
2. Infant MR is highest in the world to the best of my knowledge and approach.
3. 93% children never see the school in their whole life.
4. 80% women have only one saari to wear through the year.
5. AIDS/TB/Leprosy and other STDs are threatening the life of common people as if the area is prone to **World-War III**.
6. Villagers are deprived of electricity even after 63 years of independence.
7. Basic needs of common people are never fulfilled by the resource available/ supplied by the administrations. We urgently need the stability of a **controversial script of education for all** because we and the rest of Indians are different, somewhat better somewhat worse and difference should be celebrated but it is genetically impossible for the state Government to provide minimum education for all that is the vertical expression of a horizontal desire of the people.

Problems can not be solved at the same level of Awareness that created them (**Albert Einstein**). But education can solve all the problems in the present scenario from the face of the region as NIOS/Board of Secondary Education Madhya Bharat Gwalior (M.P.) enroll students by mobilizing and provoking them

by them approach on door to door basis to those children who is supposed never to see the school in their life.

So, the educationists as well as social scientists of our beloved country and intellectuals of this region have legally finalized to establish study center of Board in the area where sufficient infrastructure is available and the building is having **more than 9 Rooms** with **Library** and **star faculties of various streams** to give the final shape of this dream. The authorities of the Board have approved the invitation for education after successful result of the previous work. From **Board of Secondary Education Madhya Bharat Gwalior (M.P.)**

There fore the concerned Authorities/NGOs/Schools/Colleges as well as Academies/ Institutions are Requested to consider our concern of approval of education work of the Board in this region so as to mix up the students of downtrodden strata of the society in the mainstream, to educate the people of the oppressed strata of the society so as give the practical shape of this history making opportunities for education in the region, and to eradicate or at least avoid the drawback of ignorance, after all, to fulfill the dream of India for a Developed nation,

Dear *Shri Rahul Dev,*

16 MAY 2012

It is to inform that the Senior Accounts Officer (Admn.I) of my office has sent two separate letters to the Examination Controller, Board of Secondary Education, Madhya Bharat for verification of marks obtained by Shri Abhishek Dutta (Enrollment No. 1670136101 and Roll No. 1671036101) and Shri Mukunda Pradhan (Enrollment No. 1560136153 and Roll No. 1561036153) in the High School (10th) Examination, 2011 conducted by the Board and to obtain the date of publication of the result of the examination. This was urgently required to allow both of them, employed in the post of Multi Tasking Staff (Trainee) in this office, the higher grade and pay and allowances commensurate to their earned academic qualification. But, it has been noticed that both of the letters had been returned back to this office with a remarks of the Postal Department on the body of the envelopes that the office of the Board had refused to receive the letters. Instead, it was surprising to Administration that a certificate under your signature was sent by fax to this office communicating the date of publication of the result of the examination. It is not understood as to how the certificate was sent to this office by fax without any knowledge of our requirement for date of publication of result after refusal to accept the letters and the fax no. of this office. Non-receipt of the original certificate by post has aggravated the doubts about the genuineness of the certificate. As such, a copy of the certificate received by fax is sent to have a position to enquire into the matter.

I would, request you to please confirm the marks obtained by the aforesaid two staff from your record and furnish the date of publication of the result at the earliest.

Best regards

Yours sincerely,

J. R. Biswas
